

INTENSE – INTernational ENTrepreneurship Skills Europe

What is INTENSE?

INTENSE – INTernational ENTrepreneurship Skills Europe

- Project that focuses on the topic of INTERNATIONALISATION
- Implemented by 5 European Higher Education Institutions
- Funded by the Erasmus+ Programm of the EU
- Project duration: September 2016 - August 2019

Who are the project partners?

1. Hochschule für Technik und Wirtschaft Berlin, Germany
 - Project lead
2. Hogeschool Utrecht, the Netherlands
3. University Colleges Leuven-Limburg, Belgium
4. Turku University of Applied Sciences, Finland
5. J.J. Strossmayer University of Osijek, Croatia

What are the objectives of INTENSE?

1. ...promote the internationalisation of SMEs, students, and universities of applied sciences by 2019
→ seize global opportunities!
2. ...foster entrepreneurial and professional skills of students and staff of universities
→ enhance employability!
3. ...foster the collaboration between SMEs, universities of applied sciences and further stakeholders
→ build a network!

What are the outputs of INTENSE?

- ✓ ... develop and implement a 15 ECTS teaching module on the topic of internationalisation of SMEs in Europe
- ✓ ... SME Toolkit
- ✓ ... policy recommendations
- ✓ ... International trainings, student meetings and multiplier events
- ✓ ... student consultancy projects at all partner universities
- Students support SMEs with their internationalisation process (research, market entry strategy, recommendations, etc.)
